

The Program Guide Book is a great fundraiser, offering an opportunity for students to earn points to pay for their related expenses, as well as raising money for the Bandbackers.

This year, with approximately 150 students making up the Southington Blue Knights Marching Band and able to solicit Southington (and surrounding towns) businesses, please keep these points in mind:

- Points for an ad will go to the first student who submits all 3 items: the ad, the check, and the sponsor ad form. Please submit your ads in a timely manner, either to the PO Box, or in person at SHS (dates T.B.D.).
- If you solicit a business, and they agree to buy an ad, the sale does not count until you have all 3 items above. If another student secures all 3 items, and then you go back at a later date, and the business contact informs you that they already placed the ad with someone else, simply thank them for their support, and move on.
- If you solicit a business, and they say that they have already purchased an ad, simply thank them for their support.
